Dear George:

As you prepare to depart Ottawa to begin your new life chapter, we would like to take this opportunity to wish you much success with Community Connecting Illawarra.

Over the last 4 years, we have witnessed firsthand how you have assisted the members of LiveWorkPlay to grow and prosper here in Ottawa. You should be very proud of your many accomplishments you attained during your time at LiveWorkPlay.

We know the many personal relationships you've built here are very special to you. In particular, your support and guidance with our Jeremy over the last 4 years has greatly improved his personal development. It is remarkable to compare where he was when we first met to the present day. The LiveWorkPlay model of inclusion for all, has truly enabled our Jeremy.

If we may ever be of assistance to you in future, please do not hesitate to contact us. Our decision 4 years ago to hire Jeremy has proven to be a profitable decision for our company. There are many advantages to hiring a person with an intellectual disability, we are every bit confident you will spread the word about this untapped labour pool.

We wish you much good luck and success George. Please keep us posted on your new adventure.

Best Regards
